By Robert Ehrig

So this week is all about making some room in here.

I have taken some liberties with the red marker. GREAT DEALS !

And on top of these, red mark downs,
we will take another 30% off any panel ready under counter item.

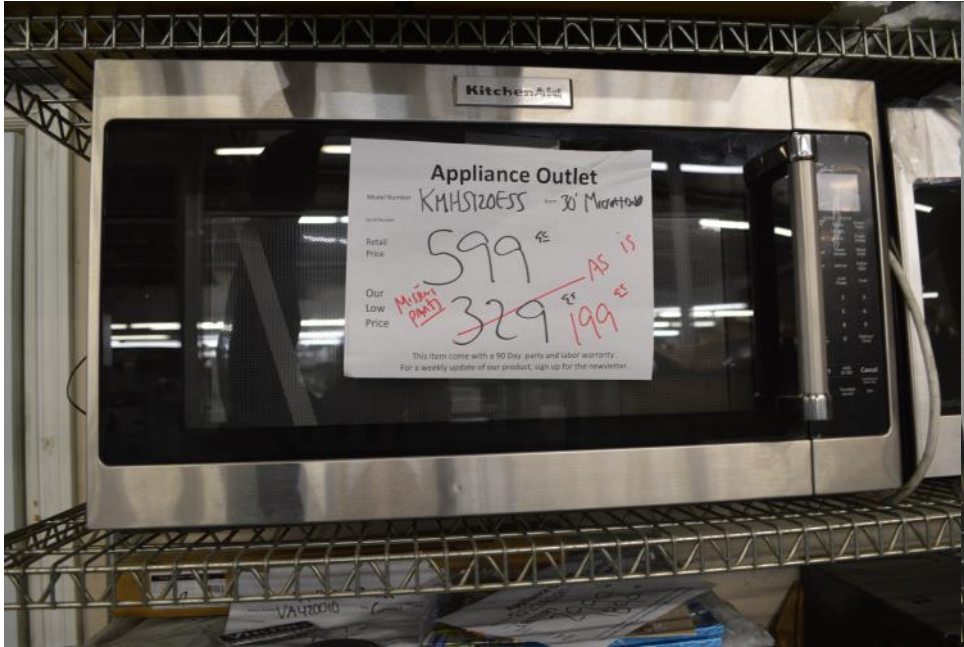

And that is off our already 20 to 40% off retail prices

But hurry in, cause at these prices, they wont last.

We are serious about selling these units, so take advantage.

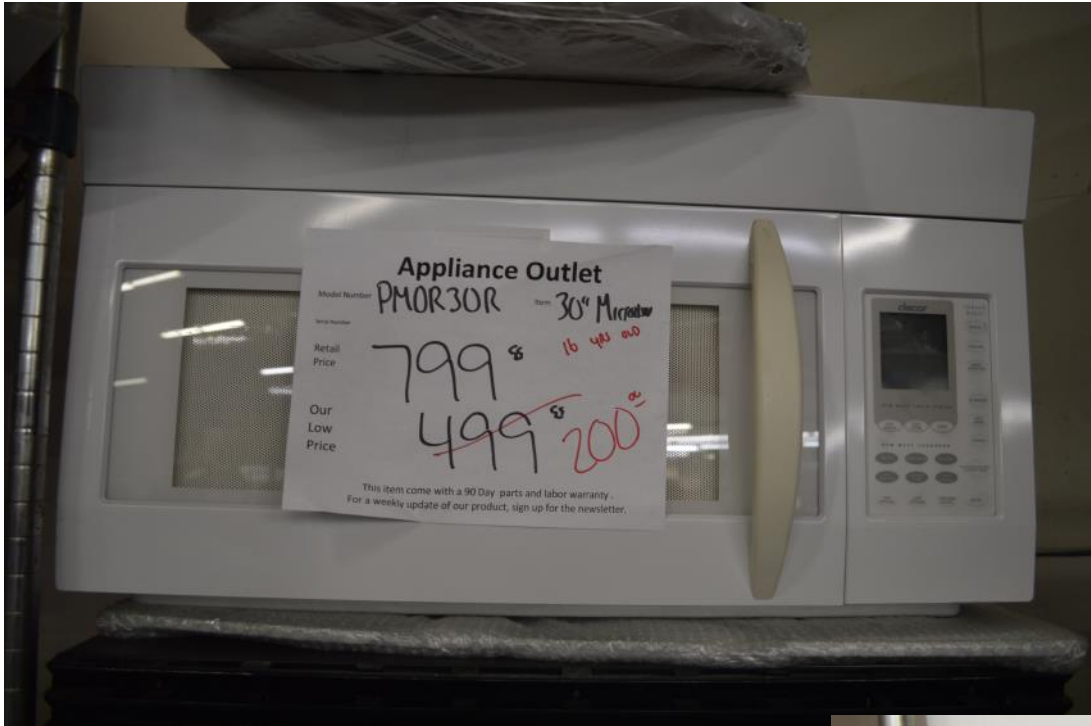

Thanks again for accepting the weekly updates,

Robert Ehrig
