Appliance Outlet

4-7-18

By Robert Ehrig

This week we got a small GE shipment.

We still have some nice pieces from the Viking load last week as well.

I also included a couple kitchen suites that are nice.

If your interested in these, please email me and I will give you a package price for them.

And read all the way to the end for some special offers.

All for now...

Thanks for accepting my weekly updates.
