By Robert Ehrig

We are absolutely loaded with color this week.

Beautiful Bertazzoni ranges in all sizes and colors ready for the taking.

These are mostly brand new and ready for a home.

Still have one La Cornue in White with brass trim too.

We also got a nice load from Fisher Paykel. Built in fridges and 36" ranges. Both new!

This seems to be the time of year when we are getting,

brand new, discontinued product.

So hurry in for best selection.
