

Weekly Newsletter for Appliance Outlet

Vacation Issue # 1

By Robert Ehrig

Well this is week one of my annual vacation.

So I will be kinda guessing as to what came in.

It will be an educated guess, but a guess none the less.

We should have gotten a Viking Load by now.

I know there are Tuscan Ranges on there and dishwashers.

Ill show what I think we will get more of this week.

Come in and say hi to Sylvester, tell him I said for you to come see him.

Thanks for reading these newsletters,

From somewhere else, *Robert Ehrig*
