

Weekly Newsletter

Appliance Outlet

3-16-19

By Robert Ehrig

Lately, I have been asked a lot about “packages”.
Therefore, this newsletter is dedicated to just that.

“ Packages “

Some will be full suites and others will be pairings that I think will go nicely together.

And along with these “packages”, there will be some “package pricing”.

As long as you keep them in tact, these prices will be hard to pass up.

Most of these are the only “packages” of their kind. So don't delay

Thanks for accepting my weekly updates,

Robert Ehrig
