Appliance Outlet

5-18-19

By Robert Ehrig

If you every wanted Sub Zero, you have one shot at it.

Just a couple pieces available.

The Fagor product is really nice too. Very reasonable and brand new.

We also have more of the Thor Kitchen ranges.

Best bang for the buck ranges we have ever had.

Also putting some other super nice pieces in this issue.

Thanks for accepting my weekly updates,

Robert Ehrig
