Appliance Outlet

6-1-19

By Robert Ehrig

We are still packed with merchandise.

I am going to highlight a bunch of appliances, just cause.

I hope that is OK with all of you.

Next week we should have a Viking load.

I do have a rough idea on what we are going to get. Feel free to reach out.

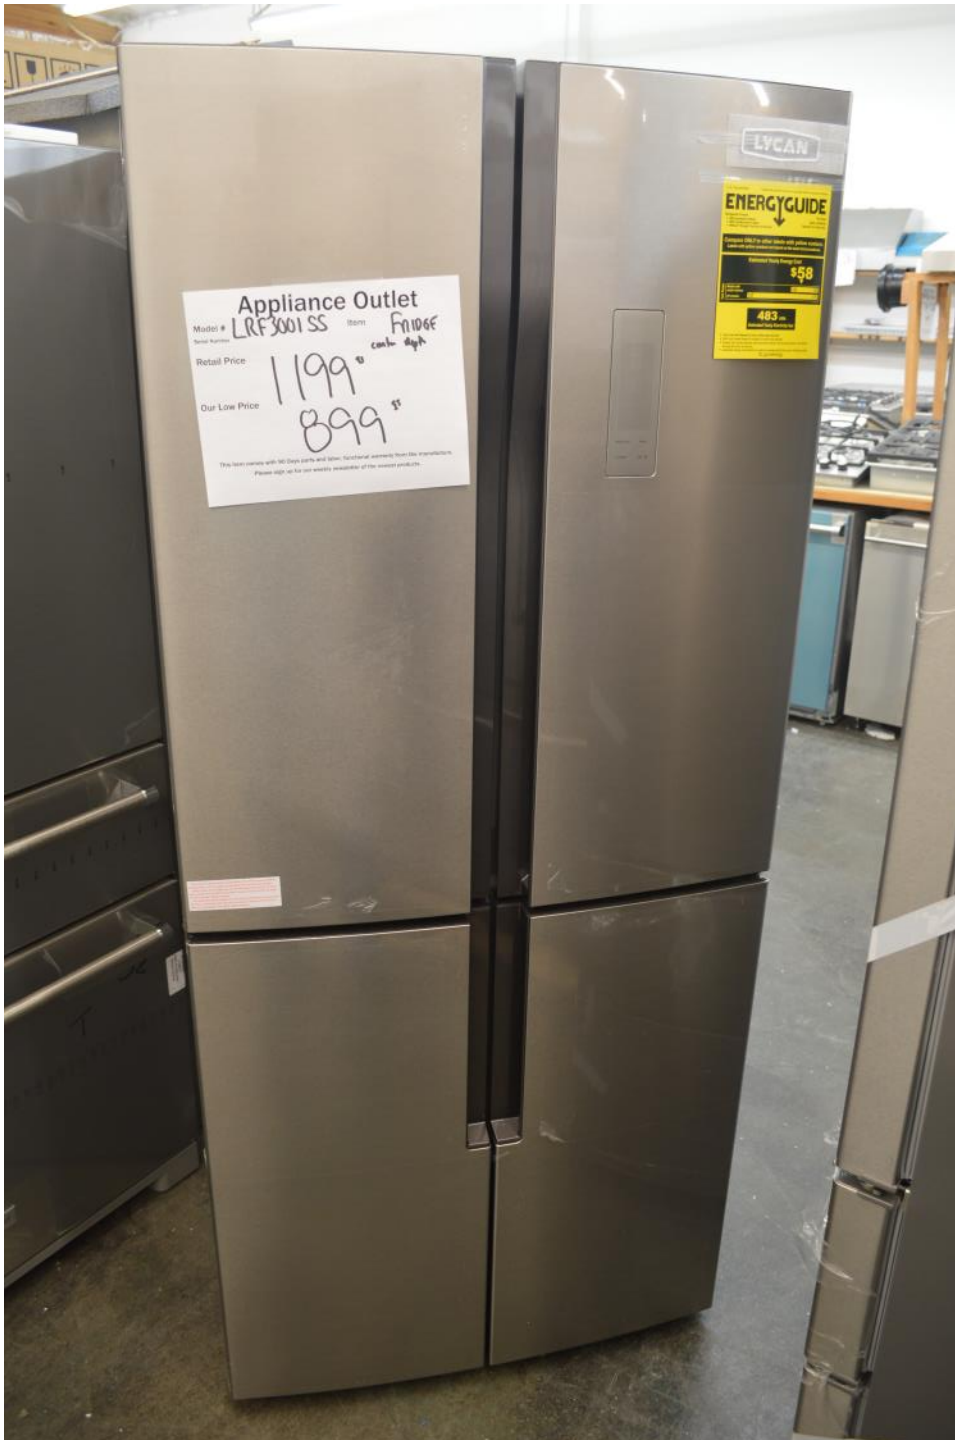

Thanks for accepting my weekly updates,

Robert Ehrig

à induction

These are the items they said will be on our Viking shipment

It is still very tentative.

But gives you a good idea

Look up model numbers to see if any match your needs.
