

Appliance Outlet's Weekly Newsletter

For 6-29-19

By Robert Ehrig

We got two, count them two, Viking shipments this week.
They were described to us as shipping carton damage items.

Sounds like a dream to me. LOL

Granted, this could be a lot of different things.

From a forklift going thru the package into the item to just the pallet messed up.

Never the less, you gotta come check these out.

I also have some Tuscan ranges we would like to move, so ...

Thanks for accepting my weekly updates,

Robert Ehrig
