Birthday Edition

8-24-19

By Robert Ehrig

Sorry, but it actually my birthday and it doesn't translate to any additional discount.

However, we did receive a nice load of appliances yesterday.

Bosch Dishwasher, LG fridges, Kitchenaid fridges, and some Bosch.

These came in very nice, so they will not last long.

I'm thinking that you should come in and see them for yourself.

And while you're here, have a piece of birthday cake. (I think there will be some)

Next week we will have Blue Star ranges and cook surfaces.

Thank you for accepting my weekly newsletters,

Robert Ehrig
