Appliance Outlet

2-15-20

By Robert Ehrig

This week we received a small shipment of DCS BBQ's

30" , 36" and 48"

We also refilled the Sole Gourmet BBQ's stock.

We are still expecting that second load of Miele. Way over due.

In honor of Valentines day we used our "rose colored" marker on several items.

I have several of them pictures at the end of the newsletter. A few other surprises too.

Happy Valentines

Thanks for accepting my weekly updates,

Robert Ehrig
