By Robert Ehrig

Miele delivered one of the two loads that we are getting.

This one is from the show they just ended in Vegas.

The next one is all the items that we sold really fast from the last load.

All great items on these trucks.

If you want some great product in Miele, this is your chance.

We also just got in a 30 and 36" DCS BBQ. And still have 48"

Thanks for watching my weekly newsletters,

Robert Ehrig
