Appliance Outlet

4-25-20

By Robert Ehrig

Last week of confinement for us !

Last week, the City was able to deem us an essential business for opening again. Although we are restricted in hours and number of people allowed in at one time, We are able to take reservations and appointments that allow people to visit. Until further notice. Email or call for reservations. Open till 3:00pm only.

This also means that we will be getting shipments again.

Starting on Monday 27th we are getting a Viking shipment. I will list at the end.

And here are a few pieces that we still have available.

Thanks for hanging in there with us,

Robert Ehrig
