Appliance Outlet

5-16-20

By Robert Ehrig

Last week we got a nice load from Purcel Murray.

Bertazzoni, Liebherr, Thermador, Bosch and Uline.

We have some of it left and I am including it for you.

We also got Beko and Bloomberg fridges in stainless this week.

I was told that by the 20th or so we will have another nice shipment of Miele.

Our warehouse is full of great product also.

We are open by appointment till 3:00 pm so we don't have too many people at once.

That way you will feel comfortable shopping with us during these times.

Thanks for accepting us into your email,

Robert Ehrig
