By Robert Ehrig

Hello all again,

This week we have secured a lot of loads, but will land most of them next week.

I will list the loads at the end. There are lots of great items.

Including product that we don't normally get. Like Wolf, Kitchenaid, Sub Zero, etc...

You need to not wait on these, as they will not last long.

Details at the end of the newsletter.

Stay cool and safe during this hot and germy climate,

Robert Ehrig
