Appliance Outlet

8-15-20

By Robert Ehrig

Well, it's the last day of summer vacation 2020. What ever that was !

School starts next week, all from home and in front of the tablet.

None-the-less we are still selling luxury appliances at a fraction of retail prices.

This week we did not get any new shipment.

We still have a lot of great products and some never made it into the newsletters.

So here are a few of those items that never made it.

Thank you for accepting my weekly updates,

*Robert Ehrig*
