This week, supposedly, we are getting that shipment of Beko dishwasher for \$ 599.99
It's been delayed a few times. I will put a stock photo for it at the end.

Other than that we still have a lot of great product.

If you don't see what your looking for, please email me.

We are working on more product as well, just nothing solid right now.

Thanks for accepting my weekly updates,

Robert Ehrig
