By Robert Ehrig

Wow, we are FULL. And I mean FULL.

Did I mention that we are full?

There is no way at this point that I can even get pictures of everything.

So this newsletter will be non indicative of what we actually have.

If you want to know more, please email me.

Shipments from Viking, Thor, Miele and a mixed load from various mfgs.

Thanks for accepting my weekly updates and hurry in for best selection,

Robert Ehrig
