

Weekly Newsletter

Appliance Outlet

12-5-20

By Robert Ehrig

We just got notice about two shipments

Viking probably end of next week. Miele is probably the following week.

I will list some of the highlights at the end of the newsletter.

This week, I put together some pairings and things I thought can go together.

I also highlighted some fridges that are nice and available now.

Thanks for accepting my weekly updates,

Robert Ehrig
