Appliance Outlet

May 1st 2021

By Robert Ehrig

With the up and down of the weather, our inventory follows suit.

We received a load of Viking products yesterday. And Miele on Monday.

We are getting more Miele on Friday this week as well.

I'm not sure what yet, but hoping for ranges.

We finally secured that "nice" load of Viking that should be here in two weeks.

We are going to FILL up with nice, high end appliances quickly,

Thanks for accepting my weekly updates,

Robert Ehrig
