Appliance Outlet

6-12-21

By Robert Ehrig

This week we got a delivery from Viking and a couple pieces from Miele.

The SMEG is now unwrapped and is beautiful.

So if you can't find something now, your too picky. (just kidding, not)

We are absolutely loaded with great, high end appliances.

Miele still promises a few more pieces here and there. Stay tuned.

I have also taken a few liberties with the red marker,

but you gotta come in to see them all.

Thanks for accepting my newsletters,
