Appliance Outlet

1-29-22

By Robert Ehrig

On Friday this week we are scheduled to get a Viking shipment.

I will list some highlights at the end of the newsletter. Email for more info.

Sometimes we need to move product that gets a little more damage than we like on our scratch and dent appliances.

Therefore for the next few days, we are offering an additional discount on all red tagged merchandise.

Thru Saturday 1-29-22 take an additional **10%** off all red tagged items.

These are all sold as is (some parts might be absent) but whatever the original warranty was with the item, it still has. (unless noted on tag)
