

Weekly Newsletter

Appliance Outlet

2-5-22

BY Robert Ehrig

We are getting a small shipment from Bosch and Thermador

And a shipment from Thor Kitchen

Both should be here by the time you see this newsletter. ( hopefully)

We are still loaded with great product, some of what you will see here.

Red markdowns are still helping reduce some inventory. Don't miss those!

Thank you for accepting my weekly ramblings.
