

Weekly Newsletter

Appliance Outlet

10-8-22

BY Robert Ehrig

No deliveries this week , at least as of the writing of this newsletter.

This could change at any time.

But, we got so much product last week and some of it is still here.

I wanted to showcase the great items we currently have and tell you, for Ilene,
that this product is here and ready to go home with you.

Please don't hesitate, this are nice appliances and should go quickly.

And if you want to feel like your helping the economy, you can add 8.3% to
anything we have in stock to keep up with inflation. LOL

Thanks for listening and reading these weekly updates,

Robert Ehrig
