Appliance Outlet

2-14-23

By Robert Ehrig

Well, we made it to a New Year. Congrats to us.

This end of year brought us a ton of great product.

Including, the so highly coveted La Cornue ranges and unused Viking items.

We are absolutely loaded with appliances, all ready for a new home.

The boss reminded me that if you can't find something now, open thy eyes.

Here is just a small sample of what we have.

Please email me if you are looking for something specific.

Thanks for staying with us thru the years.
