1-7-23

By Robert Ehrig

Well, the new year is upon us.

Will this be the year you put Luxury Appliance in your home?

We are always priced 20 to 40% off retail prices, every day.

And when you buy three pieces or more on the same receipt,
we will give you an additional 5% off these incredibly low prices.

Stock changes weekly, keep any eye out.

We thank and appreciate you,

Robert Ehrig
