Appliance Outlet

11-18-23

By Robert Ehrig

The week before Thanksgiving.

I suppose if you don't have a cooking vessel by now, your going out.

In case you don't and you're not. Come see us.

We have plenty of stock you can take today.

Then, you can get your "cook on" for the holidays.

Next week is Black Friday. We have several markdowns already done.

But you will have to come in to see them.
