By Robert Ehrig

Last week we got that Viking shipment.

We are also sitting on some nice BBQ and other items.

Please remember that everything has warranty.

It varies from 90 days to two years, based on manufacture.

Anything with 90 days of warranty from us, we check and test for 100% working

To save money and get warranty, it doesn't make sense to go anywhere else.

See you soon and thanks again for reading these,

Robert Ehrig
