Appliance Outlet

9-14-24

By Robert Ehrig

This week a couple Miele pieces came into the warehouse.

We should see a few more later in the week too.

Fisher Paykel is keeping us in stock as well.

We are working on a few other things .

I just don't want to mention them in case they don't happen.

You will like it though.

Thanks for glancing at my newsletters,

Robert Ehrig
