

Weekly Newsletter

Appliance Outlet

10-26-24

By Robert Ehrig

This week will be a short newsletter

We bought some pre owned items from a kitchen that was re-done.

Best guess is about 12 years ago.

But the items are very nice and all still work great. We are testing them.

Other than that we are getting Hestan BBQ items soon

And GE is still pending.

Thanks for accepting my weekly updates,

Robert Ehrig
